11th Operation Coordination Unit Meeting

The meeting which was held online on 11.11.2020 was focused on the progress in the project activities and technical site visits within the scope of remediation studies.

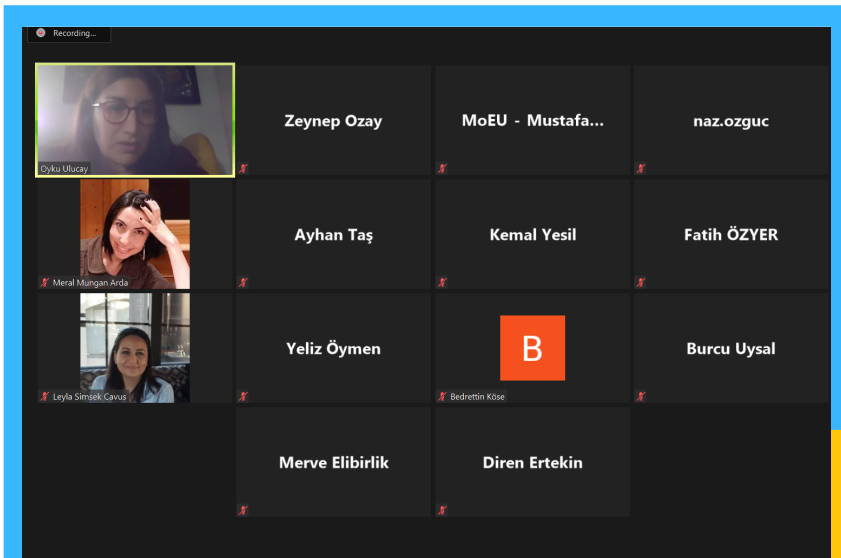

The site assessment results were shared with the Ministry of Environment and Urbanization General Directorate of European Union and Foreign Relations and General Directorate of Environmental Management. According to decisions taken at the meeting, we started planning the online training activities.

Monitoring and Evaluation Meeting

A meeting was held on 11.11.2020 with the Ministry of Environment and Urbanization General Directorate of European Union and Foreign Relations, Directorate of European Union Investments regarding the monitoring and evaluation of the project.

During the meeting, participants were informed about the UNDP's Monitoring and Evaluation System, which is implemented on a global scale and in the Country Office.

Regulation Workshop Report

The final version of the report on “Regulation on Control of Soil Pollution and Sites Contaminated by Point-Sources and Regulation on Persistent Organic Pollutants” workshop which was organized online in two sessions for provincial directorates and accredited companies on 06.10.2020, was submitted to the Ministry on 12.11.2020.

We Are The Climate... We Will Change!

The project video which was designed for **#WeAreTheClimate** **#WeWillChange** campaign developed in cooperation with the European Union Delegation to Turkey (EUD) and the United Nations Development Programme (UNDP) Turkey for EU Climate Diplomacy Week 2020 was shared on UNDP Turkey's social media accounts.

You can access the video from the following link or QR code.

Meeting for Training on Determination of Soil Pollution Capacity for Analysis

We started preparations for "Training on Determination of Soil Pollution Capacity for Analysis", which will be held on 17-18-21 December 2020. Project's Technical Consultants, Beneficiary and Contracting Authority met online on 17.11.2020 to clarify issues such as the process, tools, and content of the training.

Second Activity Report

The Second Activity Report was submitted as hardcopy to the EUD, Beneficiary and Contracting Authority on 26.11.2020 following the necessary approvals.
